Q&A

1. SCM

Does Malta Properties still plan to acquire a holding in Smart City Malta as previously announced?

- Thank you for your interest and question. As you are aware the Company is always looking at investment opportunities and evaluating various projects. SmartCity is one such project. Since the Company's last announcement there were no significant developments, however, the Company will continue to discuss and evaluate the potential investment. If and when further developments occur, the Company will issue a Company Announcement and eventually convene a shareholders' meeting should the need arise.

Malta Properties għadha bil-pjan li takkwista sehem fi SmartCity Malta kif ħabbret qabel?

- Grazzi tal-interess u tal-mistoqsija. Bhalma tafu, il-Kumpanija dejjem tħares lejn l-opportunitajiet ta' investiment u tevalwa proġetti varji. SmartCity hu wieħed mill-proġetti. Mill-aħħar dikjarazzjoni pubblika ma kien hemm ebda żviluppi sinifikanti. Minkejja dan, il-Kumpanija se tibqa' tiddiskuti u tevalwa l-potenzjal ta' investiment. Jekk u meta jkun hemm żviluppi, il-Kumpanija tippubblika dikjarazzjoni u eventwalment, jekk u meta ikun hemm il-bżonn, tlaqqa' laqgħa għax-shareholders.
